Project Name: ComicCraft – AI Comic Story Creator using Gemini Models

Academic Year: 2026

Primary persona: Student / Aspiring Comic Creator

SAYS	THINKS
"I have a story idea but don't know how to turn it into a comic." "Can AI help me create the panels?" "I want the same character throughout."	"I need a simple interface." "Will the AI understand my idea?" "I want output I can edit or illustrate later."
DOES	FEELS
Enters a story idea, generates a story, reviews panels and downloads the result.	Curious, excited, uncertain about AI output, motivated to create.
